- M.S., Civil Engineering, Purdue University
- B.S., Civil Engineering, Purdue University

Professional Associations

- Licensed Engineer, State of Ohio
- Member AACE International

Bob is an experienced management professional who spent more than 33 years with Procter & Gamble. His expertise includes capital management, facilities design management, and project development and execution. During his tenure with Procter & Gamble, Bob was based in locations throughout the world.

OneSource Experience

Bob completed seven years of service on the ESCC Board of Trustees (the predecessor of OneSource). During four of those years, he served as treasurer. Bob's expertise in capital facility design was put to use when he oversaw the construction of the Dan Beard Boy Scouts building in Evendale. He was the co-project manager on a business plan for Dress for Success and currently is an EXCEL coach.
