- American Evaluation Association

Ray is a management and communications specialist. He worked for many years at the Centers for Disease Control in health communications, management analysis, and research roles. He is part of the adjunct faculty at Thomas More College in undergraduate and MBA programs.

Ray was board president for the Cincinnati Cable Access Corporation and First Unitarian Church of Cincinnati. Ray is currently a member of the Institutional Review Board at Xavier University. He also volunteers for ProKids, Books by the Banks, and his church.

### OneSource Experience

As part of OneSource's training faculty, Ray helped design and deliver the workshop on interviewing for quality research results. Ray also was involved in the St. Vincent dePaul Family Homeless Services Study. Ray is OneSource's go-to expert on survey design.
