### Professional History

- OneSource Center for Nonprofit Excellence
- Executive Service Corps of Cincinnati
- ENTRAN
- Balke American, Division of American Consulting Engineers
- Green River Area Development District

### Education

- Bachelor of Urban Planning and Design, University of Cincinnati, College of Design, Art, Architecture, and Planning

### Professional Association

- American Institute of Certified Planners

Craig is OneSource's Vice President, Consulting Services. He also held the same title with OneSource's predecessor, Executive Service Corps of Cincinnati (ESCC). Prior to joining the management team in 2010, Craig was Principal, Owner, and Project Manager of ENTRAN, a transportation planning and engineering infrastructure consulting firm practicing in six states. He is a certified urban planner with more than 30 years in project management, transportation and environmental planning, civil engineering, and business development.

Craig is currently a board member of the OneSource's national affiliate network, Executive Services Corps –US (ESC-US).

### OneSource Experience

In addition to his position as Vice President, Consulting Services, Craig volunteers as a consultant, coach and instructor. Frequently he leads or assists with strategic planning and board development projects. In addition, he regularly facilitates workshops for OneSource volunteers in strategic thinking, project management, effective consulting and organizational assessment. His project experience includes strategic planning with Center for Holocaust and Humanity Education; Over-the-Rhine Foundation; Hamilton County Park District (Great Parks); St. Rita School for the Deaf; University of Cincinnati Economic Center; Greenacres Foundation; and Franciscan Ministries. He also led research projects in STEM Education and Family Homelessness. In addition, he is a leadership coach in the Nonprofit Leadership Institute of Greater Cincinnati (NLIGC), OneSource's signature nonprofit leadership development program.
