- Lean Manufacturing Manager
- U.S. Department of Defense—Secret Clearance

With a background in accounting, finance and insurance, Deb is a business turn-around specialist. Among her achievements:

- Transitioned the Corporate Accounting of a billion dollar Company from St. Louis, MS to Cincinnati, OH.
- Managed the turn-around of a failing distribution facility into a facility that recognized \$375,000 in operating profit within 3 months.
- Assisted in a \$5 million EBITDA turn-around in a manufacturing company, achieved through employing Lean manufacturing concepts, and cost cutting and control.

She has served as a Group Controller, Director of Finance, Chief Financial Officer and Director of Internal Audit.

Deb’s skillset includes: strategy development, mergers & acquisitions, Lean manufacturing, financial planning and analysis, internal controls/process improvement, cost reduction and net asset enhancement and cash management.

Deb volunteers at Christ Hospital as a Patient Advocate, and with the Scarlet Oaks ‘Aspire’ program.

OneSource Experience

As a new volunteer, Deb looks forward to using her skills to help nonprofits achieve their financial goals.
