May 2020

### June 1 Opening Date New Location at 936 Dalton Avenue

OneSource Center continues its support of nonprofits, always looking for expanded ways to be of service to those we serve in the region. On June 1 we will be relocating to our new location at 936 Dalton Avenue! The location is more centrally located and much more accessible to the pulse of the region and to the nonprofit clients OneSource Center serves. We look forward to working with you from this centralized hub.

The new location has easy interstate and city access, has plenty of parking, and is in a light industrial area (very similar to our current location.) The Shoppers Club layout and merchandising will have a new look and expanded offerings will be presented to nonprofits in the months to come. It is an exciting time for us to share our resources with the community.

OneSource Center has been greatly supported in this move through board and donor contacts and in-kind donations -- everything from a new delivery truck signage wrap to temporary warehouse storage assistance to design, warehouse take-down and preparation, flooring renovation and even help with painting. Official kudos and thank yous to come -- but once again city leaders, local businesses and individuals alike recognize the importance of the OneSource Center mission and stand by us with their support.

Stay tuned for grand opening announcements!

### Open to Nonprofits and the Public Inventory Reduction Sale

With OneSource Center's relocation to Dalton Avenue, nonprofits and the public are both welcome to take advantage of reduced pricing on office and mission needs. We are making room for new product offerings at the new

location and want to pass on savings to you.
