Kate is a retail management specialist. Her experience includes marketing, sales, operations, team recruitment, development and motivation. She has been the general manager executive and general manager of both large box retail stores as well as small retail businesses. Kate's other skills include interior design, event planning, and talent management.

Kate was appointed by the Loveland City Council to Chair its Loveland 50 Forward group. She also founded and coordinates Boomers and Bloomers, an organization dedicated to forging new relationships. Kate's involvement with Loveland extended to include running fundraisers for one of the candidates for the Loveland Mayoralty.

### ESCC Experience

As a new "consulteer" Kate looks forward to working on business solution projects as well as helping with OneSource's newly rebranded Shoppers' Club.
