Professional History

- Brighter Collective Consulting
- United Way of Greater Cincinnati

Education

- M.C.P., Community Planning, University of Cincinnati
- B.A., Political Science, University of Kentucky

Leshia is a skilled leader with significant experience in the nonprofit sector. She currently is the principal of her own company, Brighter Collective Consulting. Initially employed as Senior Associate at the United Way of Greater Cincinnati, she rose through the ranks to Area Director, Senior Director, and most recently, Vice President, Success by 6 and Area Communities. Some of her key responsibilities during her 20 years at the organization included leading the Success By 6 regional initiative, providing strategic alignment across an eight county region, leading the Northern Kentucky operation, supporting public policy efforts and heading up a campaign division which produced more than \$4 million in annual contributions. Leshia's skillset includes strategic thinking, operational assessments, process mapping, volunteer management, advocacy, leadership development, and fundraising. Earlier in her career, she was recognized as an Outstanding Woman of Northern Kentucky by the NKY Chamber of Commerce and a Forty Under 40 recipient by the Cincinnati Business Courier.

OneSource Experience

As a new volunteer, Leshia looks forward to assisting nonprofits in a wide variety of areas.
