Phil is a business and operations manager with experience spanning both the nonprofit and proprietary sectors. Most recently, he was Director of Program Operations for Volunteers of America where he managed a \$10 million budget to offer supportive services to veterans. He served as Director of Operations & Human Resources with Building Excellent Schools, and as Business Manager/Director of Human Resources at The Nativity School of Worcester, Massachusetts. During the two years he spent with REI, he was a customer service specialist. Phil's skills include financial management, human resources management, facility management and operations, and development and fundraising.

Phil served as Veterans Chair on the Greater Cincinnati Homeless Clearinghouse and volunteered with Strategies to End Homelessness. He also served on the Southwest Ohio Region Workforce Investment Board. Currently, he is a lecturer at Christ the King church in Mt. Lookout and is on the board of HiME Foundation.

OneSource Center Experience

Phil helped operationalize OneSource Center's POS system and was loaned to the Jewish Federation of Cincinnati's Shared Services project. He conducted stakeholder interviews for Upspring's strategic planning effort and is now part of the leadership training faculty for NLIGC-ADVANCE.
