- DDI Certified Facilitator

As the principal of LongView Solutions, LLC, Virginia is an accomplished human resources professional. She has applied her skills--organizational development, performance management, instructional design, & systems implementation, and administration—primarily in the engineering and manufacturing sectors. Virginia currently is the principal of LongView Solutions, LLC. With a focus on the complete life cycle of employee performance, Virginia is especially passionate about creating engaged workforces and developing the human resources profession.

Virginia has a wide range of experience as a volunteer starting at an early age. Most recently she has been involved as a First Lego League coach and mentor. She also was responsible for the successful administration of the United Way fundraising efforts at a 500+ person company where contributions nearly doubled during her first year as chair.

OneSource Center Experience

Virginia is part of the leadership training faculty assigned to NLIGC-ADVANCE.
