

**OneSource**  
CENTER FOR NONPROFIT EXCELLENCE

## Common Good Voucher Program

OneSource Center is committed to supporting nonprofit organizations delivering on their missions to meet the needs of our community. Our Common Good Voucher Program is designed to support agencies that provide essential household and personal items to individuals in need through their programs.

OneSource Center will issue free vouchers to participating OneSource Center member/client organizations that are redeemable by your clients while shopping in our Shoppers Club warehouse. The agencies will determine which clients they will receive vouchers based on their assessment of the client's needs along with the funder requirements detailed below. An agency representative will accompany clients to the OneSource Center Shoppers Club. In the case of difficulty for clients to shop for themselves, an agency staff person can serve as the shopper.

Vouchers are distributed in \$25 increments, but multiple vouchers can be combined for larger needs. Each voucher is for a one-time visit; no credit will be issued for unused value.

Per program funder for this cycle, vouchers issued in October-November 2020 must be used to support individuals negatively impacted by the public health emergency with respect to COVID-19, and redeemed by December 31, 2020.

By signing below, I agree to the above stipulations for voucher use.  
(To be signed by agency executive or program manager.)
