Cal is a management specialist. With more than 30 years' experience, Cal's core competencies include strategic planning, facilities project management, new technology and clinical program development, and quality and compliance improvement. Cal developed these specialties as the former Vice President, Professional Services for Lawrence General Hospital, Lawrence, MA. At earlier points in his career, he was Manager of Medical Ambulatory Programs with Children's Hospital, Boston, and Executive Director for Area II Home Care for Senior Citizens, Boston (now known as Central Boston Senior Citizens, Inc.).

Cal's knowledge of nonprofits is amplified by his volunteer activities. He is heavily involved with Mt. Washington Presbyterian Church and participates in its Hunger Ministry. Cal was former Board President of Merrimack Valley Health Services, Andover, MA and a former board member of Greater Lawrence Mental Health Center.

OneSource Experience

Cal's project assignments include FotoFocus, World Piano Competition, League for Animal Welfare, and New Life Furniture. He is particularly interested in helping organizations which focus on health, arts and culture, poverty, the environment, and civil and human rights.
