- Online Business Manager Certification, International Association of Online Business Managers

Carol is an entrepreneur and management executive with extensive experience in large nonprofits. During her career, she led technology incubators, ran a social service business office, and oversaw healthcare improvements. Prior to retirement, Carol served as Every Child Succeeds' Business Director. Earlier in her career, she spent more than 13 years with the nonprofit start-up, BIOSTART, where she was promoted to President. Carol now heads up an on-line management consulting firm, Healthy Business Manager. Carol's skill set includes strategic planning, budget and financial management, contract negotiations, organizational development, grant writing, and team facilitation. She heavily values collaboration, fiscal responsibility, and integrity.

She currently volunteers as Treasurer for Women of Rockdale, a service organization associated with Rockdale Temple.

OneSource Experience

Carol has assisted with business planning and strategic projects for the Wyoming Fine Arts Council, Girl's Health Period, Warrior Moms and Generation Now.
