**Consultant Since: 2019**

### **OneSource**

936 Dalton Avenue  
Cincinnati, OH 45203

Phone: 513.554.4944

### **Professional History**

- The Procter & Gamble Company

### **Education**

- B.S., Chemical Engineering, University of Toledo

A chemical engineer by training, Roberta spent her entire working career at Procter & Gamble. Prior to retirement, she was Associate Director overseeing 50 global employees and with responsibility for Beauty and Skin Care products. Her organizations have developed products for leading brands including Head & Shoulders, Olay, and Pantene. Roberta's skills include organizational leadership, strategic planning, talent management, coaching, mentoring, and training.

Roberta's community experience includes serving as the liaison for the United Way and ArtsWave annual campaigns. As a certified yoga instructor, she is the Project Yoga Coordinator for Bethany House. Roberta is passionate about women's empowerment issues.

### **OneSource Experience**

Roberta was an integral part of an operational strengthening project for Interparish Ministries. She also has undertaken multiple coaching assignments.
