- American Institute of Certified Planners

Craig's experience spans both the for profit and nonprofit sectors. Prior to retirement, he was OneSource's Vice President, Consulting Services. He held the same title with OneSource's predecessor, Executive Service Corps of Cincinnati (ESCC). Prior to joining the management team in 2010, Craig was Principal, Owner, and Project Manager of ENTRAN, a transportation planning and engineering infrastructure consulting firm practicing in six states. He is a certified urban planner with more than 30 years in project management, transportation and environmental planning, civil engineering, and business development.

Craig is currently a board member of the OneSource's national affiliate network, Executive Services Corps –US (ESC-US).

OneSource Experience

Craig is deployed as an organizational assessor, consultant, and coach. Frequently he leads or assists with strategic planning and board development projects. His project experience includes strategic planning with Cincinnati Center for Autism, Ursuline Academy, Center for Holocaust and Humanity Education; Over-the-Rhine Foundation; Hamilton County Park District (Great Parks); St. Rita School for the Deaf; University of Cincinnati Economic Center; Greenacres Foundation; and Franciscan Ministries. He also led research projects in STEM Education and Family Homelessness. In addition, he is an EXCEL coach.
