- Siemens Energy & Automation
- Xerox Corporation

Education

- M.S., Organizational Development, Loyola University
- B.S., Business and Psychology, Northern Kentucky University
- Industrial Labor Relations Program, Cornell University

Certification

- SPHR

Kathleen is a senior management specialist with expertise in organizational development, online training, talent management, sales and marketing management, and finance and administration. Prior to retirement, she was Director, Human Resources at Priority Dispatch. She held a similar position at Siemens Energy & Automation. During her 26 years with Xerox Corporation, her responsibilities ranged from customer service to organizational development to sales manager to human resources manager. Some of Kathleen's accomplishments include overseeing training for a 12,000-person workforce, improving market share by 28%, developing success recruitment strategies to increase diversity and implementing strategies that resulted in a 20% increase in employee satisfaction.

As a volunteer, Kathleen mentors and coaches children and adults.

OneSource Experience

Kathleen looks forward to putting her varied skill sets to work in coaching, business improvement, and training projects. She is particularly interested in projects working with children, senior adults, and persons reentering the workplace after serving prison terms.
