Donna's background is in elementary and secondary education. For the past five years, she has been a curriculum consultant and professional coach. She is a former principal/CEO at Seton High School and principal for the Elementary School at Villa Madonna Academy. Her skill sets include curriculum development and educational management, educational technology, board development, and coaching.

One of Donna's passions is to set up learning environments personalized to the needs of each student. Donna volunteers at the St. Francis Seraph Mother Calcutta Dining Room, teaches Sunday School for St. Xavier Parish Religious education program, and is a regular platelet donor for Hoxworth Blood Center. She also is a volunteer reader for the Cincinnati Association for the Blind and Visually Impaired.

### **OneSource Experience**

Donna looks forward to assisting with business improvement, training, and coaching projects.
