NONPROFIT PARTNERSHIPS

“We have gratefully utilized every resource OneSource Center offers in order to strengthen our organization to better serve those in need. Their work with us on strategic direction helped us chart a strong course for the future and their warehouse selection has furnished our offices and residential spaces. OneSource Center’s offerings are almost too good to be true!” said Mikella Chrisman, Executive Director, New Foundations Transitional Living.

DONOR SUPPORT

“Standard Textile and its employees are proud to join other philanthropic donors and sponsors that recognize the impact of having a nonprofit resource center in our region. We know our donations to OneSource Center of both in-kind tangible goods and financial support provide needed benefit to individuals struggling in our community,” said Gary Heiman, President & CEO, Standard Textile.
