Professional History

- Bob Mecum, Consulting
- Lighthouse Youth Services, Inc.

Education

- M.S., Corrections, Xavier University
- B.S., Business Administration, University of Cincinnati

Bob is the retired Chief Executive Officer of Lighthouse Youth Services, Inc. He also is a board director and government and community affairs leader with more than fifty years' experience consulting with federal, state and local agencies, focusing primarily on areas related to juvenile justice, child welfare and children's mental health issues. Bob's expertise includes business development, marketing, board and staff development, communication, financial management, fiduciary oversight and board governance. Bob is particularly adept at building effective relationships with and providing support to stakeholders, senior executive teams and boards of directors.

Bob's commitment to excellence is reflected in his business and community activities. He is the former chairman of the Hamilton County Children's Services/Mental Health Taskforce, former board director, Hamilton County Help Me Grow Committee, former board director, The Crossroads Center, and former board chair of National Network for Youth.

OneSource Experience

Bob looks forward to being assigned to leadership development, business services, and coaching projects.
