Education

- B.S., Communications, Pensacola Christian College

Currently the Development and Outreach Coordinator for Companions on a Journey, Tiffany has significant experience in the nonprofit sector. Prior to her current position, she was the Executive Director of a pregnancy resource center with oversight of multi-facility operations that focused on empowering women and men to make informed pregnancy decisions. She is adept at strategic planning, fund development, project management, and human resources. During her tenure, she was able to grow revenues to support a 50% increase in its budget. Early professional skills include customer service and management in Hospitality and Food Service.

In addition to helping nonprofits change the world at the local level, Tiffany is passionate about mentoring women to fulfill their purpose. She is currently pursuing certification as a counselor. When she's not consulting or studying, she volunteers with women's ministries at her local church as a coordinator and speaker.

OneSource Experience

Tiffany currently is assigned to the team assisting World Affairs Council of Greater Cincinnati with a strategic plan. She is an integral part of the team looking how customer relationship management applications can be harnessed by smaller nonprofits as well as assisting with Building Blocks course offerings.
