CENTER FOR NONPROFIT EXCELLENCE
Consulting | Coaching | Training | Marketplace

End-of-year greetings from all of us at OneSource Center!

This certainly has been another year to remember, and I am uplifted by the ways our nonprofit community continues to respond to challenges with resilience, innovation and determination. By working together and sharing our strengths we can look forward to 2022 and to providing even greater impact.

OneSource Center is honored to support agencies through our nonprofit resource center. Our staff and volunteers work tirelessly to provide innovative programming and resources in the areas of consulting, coaching, training, and Shoppers Club furniture and marketplace offerings. Funders, donors and sponsors make this work possible, and we are thankful for their belief in our work.

Please enjoy the [2021 Year-in-Review](#) video, as well as our [annual print newsletter](#) and our [2022 Building Blocks monthly workshop](#) schedule. I hope these examples of our impact inspire you, and that you [reach out to us](#) for ways we can partner to support *your* important work in the region.

Wishing you a healthy and happy holiday season,

Christie Brown

Christie Brown, CEO

RECOGNIZING IMPORTANT RELATIONSHIPS

Honoring Commitment to Nonprofit Excellence

Celebration of Partners

Colleagues in the north opened and beautifully appointed Andros Ready KORN Music Center, signed an agreement, community leaders and collaborating partners were applauded for September 2nd, OneSource Center's "A Celebration of Partners" event. The training evening highlighted the importance of community relationships that are key to the success of our region's nonprofits, and recognized the contributions of supporters, funders and individuals in their ongoing support of OneSource Center's nonprofit resource center model.

Attendees represented parishes from: from two of OneSource Center's training partners - CIBN Architects and Music Center (both instrumental in the design and construction of the Andros music center). From here, guests enjoyed full and socially distanced opportunities for networking with drinks and delicious "Share to the Best" appetizers prepared by Paula's Catering Events. Creative skills, lessons, refreshers and share sessions taking needed out the fire as attendees sought additional ways to generously support OneSource Center's mission. Commemorative and lighter donated as attendees related the ability to gather.

Event: Kathy Walsh, Event and meeting CEO of Learning Through Art, recognized the notable achievements of our donors in three categories, and Nonprofit Community Partner Award winners were honored in the vocal and musical portions of the program. The magical evening ended with an inspiring dance performance by Revolution Dance Theater.

Available reflections are key to the successful planning and execution of this special event. Visit the OneSource Center website for full or more photos.
