Professional History

- Dennis Stark, Ph.D. & Associates

Education

- Ph.D., Industrial-Organizational Psychology, Illinois Institute of Technology
- M.S., Industrial-Organizational Psychology, Illinois Institute of Technology
- B.A., Psychology, University of Cincinnati

Dennis is an industrial psychologist. With more than 30 years in the field, he has special expertise in organizational psychology, management consulting, executive coaching, and career counseling. He has run Dennis Stark, Ph.D. & Associates since 1987. Prior to that he taught at the University of Cincinnati, and worked for several major companies in Chicago and Cincinnati.

Dennis volunteers in the community with St. Veronica Church and serves as a nonprofit advisory board member.

OneSource Experience

Dennis has been a coach for both the Nonprofit Leadership Institute and EXCEL. He works with OneSource clients in the areas of leadership development, executive coaching, team facilitation and development, strategic HR planning and succession planning. Dennis serves on OneSource's Volunteer Engagement Committee. He also helped design and lead OneSource's workshop on coaching for change.
