- Encompix

Education

- B.A., Philosophy, Wheaton College

Rob is the founder of Contractor Success Hub, a one-stop shop to help builders, contractors, and tradespeople achieve business success. He is a former senior executive with long-term experience in the information technology sector, having worked with organizations ranging from startups to global enterprises.

Rob has a passion for volunteering and has been heavily invested in community work all his life. He has served on several nonprofit boards.

OneSource Experience

Rob is an EXCEL coach. He formerly served as EXCEL co-program manager. Rob was part of consulting teams that developed a strategic plan for Concert Nova, assisted with the research for the St. Vincent de Paul homeless services study, and helped develop a strategic plan for Warren County Foundation. Rob also serves on OneSource's training faculty.
