Nick is a data analyst and market research specialist. He retired from Procter & Gamble as Research Fellow after spending more than 40 years with the company. Following his retirement, he served as a data consultant to KnowledgeWorks Foundation and has been a special data investigator with the Cincinnati Consulting Consortium. His analyses have appeared in several professional journals.

Throughout his long career, Nick volunteered his time to the arts community. He sang with both the Cincinnati Opera and the May Festival for many years. He continues to sing as a volunteer with community organizations, including the Martin Luther King Chorale.

OneSource Center Experience

Nick completed statistical analyses for the Hamilton County Juvenile Court as well as for Cincinnati Public Schools. He also was assigned as a coach on the Cincinnati Public Schools Principal Coaching Project.
