Making Common Good Even Better - Extended Hours

Beginning Saturday, June 16, the OneSource Center Common Good Store will be open extended hours to better serve shoppers and to extend its audience. Extended hours that are now open to the public in addition to OneSource Members, are Saturdays 9 AM -12 PM and Tuesdays until 7:30 PM. This will make Common Good Marketplace shopping easier for voucher customers who work during the day, and it will also give Furniture Bank shoppers more time to come in and see what's new at our Common Good Store located at 936 Dalton Ave.

If your organization serves in-need clients who could benefit from our voucher program, please visit the OneSource Center [Common Good Voucher Program](#) page for more information or to request up to \$500 worth of vouchers.

July 9 Toys for Tots and a Giveaway Day!

On Saturday, July 9 from 9 AM -12 PM, OneSource Center is coordinating a region-wide FREE TOY giveaway (Cincinnati and Northern Kentucky) to help kids "Unplug and Play." This past year has been difficult for kids, and we want to help them to step back from technology and get back to the business of being kids. Everyone is welcome! First-come; first-served. Toys are appropriate for children age 10 and under. One toy per child.

In conjunction with this event, OneSource Center will also be hosting a Giveaway Day of select items from our warehouse inventory. All of our nonprofit partners and their clients are invited to come and find a treasure to take home and celebrate our expanded hours. Refreshments will be provided. We're looking forward to serving you and/or your clients!

\$15,000 for a Thriving Community for All!

It's been a busy spring at OneSource Center! We've been planning and implementing new and exciting programs to help better serve you and our entire nonprofit community. With a solid strategic plan in place, we have bigger and better goals to pave the way for a new, more connected, future for all Greater Cincinnati nonprofits. Our Spring Appeal kicked off on June 1, and **we're counting on you to help us spread the word!**

Please follow, like, share, or comment on our [Facebook](#) page to help spread the word to other organizations and individuals. Donations from this appeal will help establish a Help Desk, allowing nonprofits to connect to a more central source for information;

expand our Common Good Store Furniture Bank to online and public sales, and launch Financial Checkups for our nonprofit partners, ensuring every nonprofit can stay strong in this changing economy. We need your support to help build a thriving community for all. Together, we can do it!

Don't Forget! Nominations Are Due June 30

EXCEL is offered by the Nonprofit Leadership Institute of Cincinnati (NLIGC) as a nine-month leadership development and skills training program for nonprofit executive directors and high-level managers. EXCEL is designed to enrich the management capabilities of those individuals leading or preparing to lead nonprofit organizations in the Greater Cincinnati region.

OneSource Center embraces diversity, equity, and inclusion and recognizes the under-representation of people of color among the leadership in the nonprofit sector. In response to our objective and recognition of the current state, OneSource Center has established the **OneSource Center Emerging Leader Award**, which will provide a full scholarship for the award honoree to participate in the EXCEL leadership development program and also receive one year of executive coaching.

OneSource Center will begin accepting nominations for the next Excel Emerging Leader Award on Wednesday, May 4. If there's someone you'd like to nominate for this award, please fill out a nomination form and submit it to nominations@onesourcectr.org by **June 30, 2022**.

Advisory Council Members Needed

The OneSource Center Nonprofit Advisory Council provides advice, insight and feedback to OneSource Center for Nonprofit Excellence on issues ranging from trends and needs in the nonprofit sector to the potential desirability and impact of proposed OneSource programs and services. The Advisory Council is an opportunity for its members to share their hopes and concerns about the nonprofit sector generally and their organizations specifically.

The Advisory Council meets quarterly for approximately two hours. Meetings are facilitated by a OneSource board member or volunteer. Advisory Council members are selected by invitation only, enlisting nonprofit decision-makers to provide the input needed to offer the most impactful services and programs to our nonprofit community.

If you're interested in being on the OneSource Center Advisory Council, please contact Christie Brown at cbrown@onesourcectr.org.

2022 Compensation and Benefits Report

**LEADERSHIP COUNCIL
FOR NONPROFITS**
ADVANCING OUR COMMUNITY

The Leadership Council for Nonprofits event on May 18 provided updated information on compensation and benefits in our sector. This biennial survey is sponsored by VonLehman in partnership with Leadership Council. 150 agencies participated in the 2022 survey, which is available for purchase from [Leadership Council](#). (Tip for 2024: Participating agencies receive the report for free!) Overall,

as we know, the labor market is tight and many agencies have had to provide increases or other adjustments due to the labor shortage. Projected compensation increases in 2022 are at 4%.

After sharing highlights of the report, there was a very interesting panel discussion on trends and issues around HR issues such as training, retention, culture and more. We appreciate Leadership Council for providing this useful information.

If your agency needs assistance with salary structures, job descriptions, retention or other HR issues, our team of consultants can help. Contact Vicki Ciotti at vcioffi@onesourcectr.org or fill out the [form on our website](#). We're here to help!
