A proven collaborative leader in higher education holding positions of progressively responsible experience, Sandy worked most recently as Vice President of Institutional Advancement at North Shore Community College in Danvers, Massachusetts. During her career, Sandy successfully supported a variety of grants, programs, and events, including development campaigns, alumni programs, major federal grants, conferences, and public relations activities in challenging non-profit, academic environments. In addition to her background in higher education, Sandy is licensed to practice law in New York and Massachusetts.

Outside of work, Sandy has served on several nonprofit boards involving children and family services, domestic violence, at-risk youth, and public libraries.

OneSource Experience

As a new volunteer, Sandy looks forward to being part of strategic planning and board development projects, as well as coaching for EXCEL.
