Sanserrae Frazier is the VP, Director - Diversity Equity & Inclusion with First Financial Bank. She is responsible for establishing, implementing, and leading the corporate DEI strategy to build & execute programs and awareness within the organization. She also is CEO & Founder of SAIGE Consulting, LLC.

When it comes to influencing perspectives and perceptions, Sanserrae has a diverse approach to service. She is an IMPACT Mentor, BOLD graduate, Gallup Boss to Coach & Engagement Champion, and Building a Culture of Competence Practitioner. She serves on the boards of Ladies of Leadership, Cincinnati Association for the Blind & Visually Impaired, and Leadership Council for NonProfits.

Sanserrae seeks opportunities for involvement to effect change by cultivating relationships and volunteering across communities with a wide variety of organizations. She is passionate around amplifying a positive and inclusive experience for employees, job seekers, and the entire community.

Sanserrae enjoys life by living on purpose in quality time, having experiences, and creating memories with family and friends! She believes her transparency will lead to someone's transformation.

### OneSource Experience

As a new volunteer, Sanserrae looks forward to being part of business solutions projects and assisting with leadership development training.
