Gratitude: A Year of Reflection and Growth

As the end of the year quickly approaches, like many of us, I find myself remembering what I'm grateful for. And I can't help but add our beautiful, wonderful

city of Cincinnati to that list. It's full of hard-working, helpful people who I believe truly want to make a difference.

Every day hundreds of thousands of Greater Cincinnatians rely on resources provided by nonprofits. My mind wanders to think of what our city – our communities and neighborhoods – would look like if we didn't have any nonprofits. Could you even imagine a city without nonprofits? OneSource Center exists to help nonprofits do what they do best, by providing services and products to improve their operations and impact. These services and products are offered at a discounted rate so they can direct their savings on their programs and mission.

This year we've made important strides to create a more cohesive, connected nonprofit community:

- We're just starting the second year of our three-year strategic plan and are making strides against some very lofty goals. In 2023, we're launching programs to bring nonprofits together for greater collaboration and impact, providing new services to respond to needs identified by

the nonprofits we serve, and working to truly bring the hub concept to life.

- We're offering more member benefits than ever before as a OneSource Center member – both in the Common Good Store Furniture Bank and Marketplace and through our consulting and training efforts. Members can now access more benefits, including our essential Common Good Voucher Program.
- We continue to stay connected to important projects throughout the city, including once again participating in the **Reds Community Fund** Makeover in Lincoln Heights and coordinating the most **Toys for Tots** giveaways yet.

It wouldn't be possible for us to help nonprofits all over the region without people like you – our supporters, volunteers, sponsors and donors.

This year we're participating in the Cincinnati Gives campaign. Truly, you can't go wrong with giving to any of the amazing nonprofits in Cincinnati, but a gift to OneSource has a multiplier effect on all of the region's nonprofits. We're grateful for the opportunity to make such an impact on the city we all love, and we look forward to what's to come.

Sincerely,

Christie Brown
OneSource Center CEO

Highlighting Important Relationships

The Queen City was illuminated with glowing lights and bright eyes for BLINK on October 13th as more than 190 OneSource Center for Nonprofit Excellence supporters, sponsors, and collaborating partners gathered together at TQL Stadium for a colorful evening at the annual Celebration of Partners gala.

The evening highlighted our community partnerships and sponsors, collaborations with local organizations, and the success of OneSource with our region's nonprofits. Guests enjoyed the opportunity to bid on fabulous silent auction items, purchase raffle tickets and get a shot at our wine pull, all while networking with drinks and a delicious buffet at one of the city's newest stadiums and home to FC Cincinnati. A wonderful jazz trio, Haden Wright and Friends, found through **CMC Cincinnati Music Accelerator**, provided music throughout the evening while WKRC's Local 12 Bob

Herzog enthusiastically exceeded this year's annual event. A new video was unveiled about the important work OneSource Center is completing in our communities, and Francesca Phillis, Stable Families Coordinator, from **Santa Maria Community Services**, shared her story about the impact OneSource Center's Common Good Voucher Program has had on their clients. The achievements of honorees in three categories were also recognized, including Corporate Community Partner, Nonprofit Community Partner and our Founder's Award.

COMMUNITY PARTNERS APPLAUDED

OneSource Center annually celebrates the collaboration of corporate and nonprofit partners as well as community members who generously give of their time and resources to positively impact the lives of so many in our community.

CORPORATE COMMUNITY PARTNER AWARD

FORVIS

FORVIS' (formerly BKD) support of OneSource spans more than a decade. In addition to its multi-year financial support, FORVIS' Cincinnati office provides committee and board leadership, event and community makeover volunteers and is a longtime sponsor of this annual celebration. FORVIS has provided a year-end inventory team for several years, and team members have also shared their expertise as presenters at the OneSource Building Blocks program. OneSource Center applauds Forvis for their lasting imprint on impactful outreach in our community.

Commitment to Nonprofit Excellence Honored

NONPROFIT COMMUNITY PARTNER AWARD

The Jewish Federation of Cincinnati

Cincinnati's Jewish Federation is the second oldest Jewish Federation in North America. The Federation is a community-driven convener, mobilizing diverse groups toward collective action. They are problem-solvers and opportunity makers with unparalleled reach, raising funds and allocating resources where they're most needed. Through a leadership training program and service to several Jewish Federation member agencies, OneSource Center has supported the work of the Federation as it brings diverse groups together to raise money and distribute it to the local, national and global programs that need it most.

FOUNDER'S AWARD

Dr. Fred Joffe

Dr. Fred Joffe has served as a OneSource volunteer consultant for 23 years. Fred has helped countless agencies during his tenure through strategic planning, management development, financial analysis and coaching. Fred has also provided strategic direction for the organization as a past trustee of the OneSource Center board. Fred's leadership was instrumental in the early years, developing the strong reputation for professional consulting that we are known for today. OneSource Center recognizes his contributions and impact here and on the nonprofit community as a whole.

Emerging Leader Award Alex Morten-Green

Training leaders to be creative and agile has never been more important as organizations adapt to current times, and a focus on greater diversity, equity and inclusion is central to leadership in the nonprofit sector. OneSource Center sponsors the Emerging Leader Award to support those who have been under-represented in nonprofit leadership circles and to strengthen the management skills of future changemakers.

Alex Morten-Green, Development Director at **Dress for Success Cincinnati**, has been selected as the

2022 OneSource Center Emerging Leader Award recipient. Recognized for her prior work by Cincinnati Parks Foundation, Cincinnati Herald, Urban League and JDRF, Alex is poised for advancement. The Emerging Leader Award includes a personal coach for the year and a scholarship to the Nonprofit Leadership Institute of Greater Cincinnati's (NLIGC) highly lauded year-long nonprofit leadership development program, EXCEL. This in-depth program trains leaders in all aspects of nonprofit management and governance, and sets attendees on a path to leadership growth and success.

COMMON GOOD FURNITURE BANK OPEN TO THE PUBLIC

Our Common Good Furniture Bank is now open to the public! For the first time in our 36-year history, all members of the community may now shop at OneSource Center's Furniture Bank. Here you'll find all of our gently used and new furniture, ready to complete your home or office space. All are welcome to visit us during our regular business hours, Monday through Friday 8:30 AM–3:30 PM. Help us spread the word!

Are you a corporation who may be interested in donating used office furniture? Contact us today at onesourcecenter.org/donate.

NEW ADDED BENEFITS FOR ONESOURCE CENTER MEMBERS

We've always had wonderful benefits for nonprofit agencies who want to shop in our Common Good Furniture Bank or Marketplace (formerly Shoppers Club). Now, we've expanded our member benefits even more for nonprofit agencies to get more bang for their buck.

New member benefits include:

- Immediate \$25 credit to use for shopping or a monthly training session

- Free vouchers available for nonprofits to give out to individuals they serve to use in the Common Good Store
- New OneSource Center members receive a free membership for the current calendar year when OneSource is hired for a consulting project
- Discounts on select services, "Special Offerings" access, free nonprofit check-ups and more

- Visit <https://onesourcecenter.org/membership-benefits/> for the complete list of OneSource Center benefits

A nominal, annual fee can give agencies access to OneSource Center membership benefits. Membership year is January 1–December 31 and renewed annually in January. Tax-exempt organizations including public and private schools, government bodies and religious institutions are eligible.

ONESOURCE CENTER'S COMMON GOOD VOUCHER PROGRAM

OneSource Center has been offering free vouchers to participating agencies to share with clients for two years now. Vouchers are distributed in \$25 increments and can be used for furniture, personal care products, kitchen equipment, household linens, toys for kids and more through the OneSource Center Common Good Store. Agency clients are able to stretch their dollars and receive more needed items through this offering, which raised an additional \$5,000 at the Celebration of Partners event this year.

"If it weren't for OneSource Center, we wouldn't have affordable household items or furniture for our families. With the use of the vouchers they are able to get things that would fill their home for much cheaper, or even free."

– Francesca Phillis, Stable Families Coordinator,
Santa Maria Community Services

Partnerships & Connections: Helping in Our Community

With your generous support and contributions, we are able to continue impacting the lives of those that need it most in our community. OneSource Center continues to be the resource hub for local nonprofits, working as a community connector to more than 350 Greater Cincinnati nonprofit organizations. Through these combined efforts, we are able to continue programs such as the two listed below.

TOYS FOR TOTS – ONESOURCE CENTER’S LARGEST DISTRIBUTION TO DATE

Smiles and joy abounded as OneSource Center teamed up with **Good360** and **Toys for Tots Marines Foundation** for a second year to give toys to local children at five regional events. During the Christmas in July event, we welcomed hundreds of parents and children from all over the Tri-state area to our headquarters to pick out toys, which was held in conjunction with the celebration of the opening of our Furniture Bank to the public for the first time. Four additional “Unplug and Play” Toys for Tots distributions were also coordinated with **BDK** and the **Reds Community Fund**. Thousands of toys were distributed and hundreds of people came to the events throughout the Greater Cincinnati area.

2022 LINCOLN HEIGHTS COMMUNITY MAKEOVER

Another year and another local neighborhood helped. In August, OneSource Center once again partnered with the **Reds Community Fund**, **Cincinnati Children’s Hospital**, the **Cincinnati Zoo**, **Procter & Gamble**, **The Cincinnati Toolbank** and others to give back through the Reds Community Makeover. Staff helped source furniture from our Common Good Furniture Bank and Marketplace for four separate buildings in Lincoln Heights, including the elementary school, Municipal Building, Adult Learning Center and St. Monica’s. A Toys for Tots distribution also took place at the event.
