### Professional History

- Oakley Cycles/Fifty West Cycling
- LOTH
- Cincinnati Playhouse in the Park

### Education

- B.A., Fine Arts, Carnegie Mellon University
- Associate of Fine Arts, Franconia College

A long-time operator of small businesses, David was the general manager of Oakley Cycles/Fifty West Cycling for three decades, where he oversaw all aspects of the business. Prior to that, he served as a project manager for LOTH and as a Design Associate/Production Coordinator for Cincinnati Playhouse in the Park.

An active community member, David served nearly a decade as a board member and treasurer with Wasson Way, an organization committed to creating a world-class urban greenway trail across the east side of Cincinnati. David also was a founding board member for the Davis Phinney Foundation, which helps individuals with Parkinson's live well today. Additionally, he was one of the founders of the Sunflower Revolution, which seeks to improve the quality of life for individuals with Parkinson's by raising funds for research and education.

### OneSource Experience

As a new volunteer, David looks forward to being part of board development, strategic planning, and business improvement projects, as well as assisting in the OneSource Common Good Store.
