Julie worked most recently for the Auxin Group, where she consulted directly with clients on HR-related projects and helped design the wellness strategy for Auxin. Prior to that, Julie served as the Director of Compensation and Benefits for the Standard Textile Company, where she managed the design and delivery of total rewards, job descriptions, compensation, training, and open enrollment. Julie also worked for RR Donnelley, managing the design, delivery, and administration of employee benefit programs.

Julie is active as a Court Appointed Special Advocate (CASA) for ProKids, working with children in foster care to ensure they are in a safe, permanent and nurturing environment.

### OneSource Experience

As a new volunteer, Julie looks forward to being part of strategic planning and business solutions projects and assisting with leadership development training.
