Ashley Sugarman is an innovative and performance driven account manager with diverse experience in the healthcare industry. Since 2016, she has worked at UnitedHealthcare, advancing from Practice Performance Manager to Engagement Manager and, currently, to the Associate Director of Clinical Quality.

Prior to that, Ashley was a Clinical Monitoring Associate with Syneos Health Clinical Solutions. She also has worked as an Emergency Room Technician at Christ Hospital.

Outside of work, Ashley has volunteered as a group mentor for the Cincinnati Youth Collaborative and for the True Body Project.

### OneSource Experience

As a new volunteer, Ashley looks forward to working on business improvement, board development, and strategic planning projects.
