Larry Lindeman has a long professional history as a social worker and behavioral health expert. Since 2018, Larry has worked at Talbert House, first as a clinical practice director and currently as their Director of Outpatient Behavioral Health Services. Prior to Talbert House, Larry spent over a decade at NorthKey Community Care, working as a director and coordinator of their mental health, substance abuse, and school-based services. Larry also has worked at Cincinnati Children's Hospital Medical Center and Central Clinic.

Larry's accomplishments during his career include developing new compensation structure leading to increased staff salaries *and* increased revenue, implementing managed care for Medicaid and an electronic health system, and improving and expanding services through new grants and funding streams. Larry is a past recipient of the J. Emmanuel Willett Award, which recognizes individuals who have demonstrated superior administrative and clinical leadership and innovation in the development of programs and services that benefit the Northern Kentucky community.

OneSource Experience

As a new volunteer, Larry looks forward to working on business improvement and strategic planning projects, as well as serving as a coach.
